

February 2017

This Month's Meeting Will Be Monday, February 20, 2017 at *The Incredible Pizza Company*, 1245 N. Germantown Parkway at 7pm. Come as early as 5:30 for dinner. \$5.99 buffet! Mention you are with MCCC.

Is it Spring Yet???

Is anyone else itching to get that beauty out and cruise?

MCCC's new president, Burt Milam, is working hard to get some new and exciting events scheduled. It's a little too early to reveal what they are just yet, but you won't be disappointed! Here are a couple of hints: He and the MCCC officers are wrapping up an arrangement with a major player in the local car industry for a sweet sponsorship! They are working to get a new car show or two started this year! It really does look like 2017 will be an exciting and fun year! There will be lots of options and opportunities to get those beautiful vehicles out, show 'em off, and win a trophy or two or three!

The announcement will be coming very soon!!!

Do you have an idea or suggestion of a cool place for the club to take a cruise?
(In the cars.... Not a ship!)
We are open to any and all ideas!!!

February 2017

Several MCCC members got together for a 'meet-n-eat' to check out a few eating places in Bartlett. Watch for announcements for the next time so you can come join us!

Upcoming Events

Memphis Classic Chevy Club is in the process of finding a new cruise-in location. While the Café 4210 on Alturia locations was nearly perfect, it didn't have the high traffic that is needed to grow the club. Monik Williams at Café 4210 did a fabulous job making us feel welcome and having some of the best burgers in town.

We encourage you to eat there when you can!

It is truly a challenge to find a parking lot (with multiple eating establishments) whose owners are willing to accept the liability of having a lot full of classic cars. We think we have found a great location on Stage Road and are awaiting the final approval from the owners. We will get the word to you as soon as we know!

Cruise-In season is March thru September, weather permitting. We are hoping to get started in just a couple of months!

Several car shows and events are in the works. Here are a few:

April 7-9	Super Chevy	Memphis International Raceway
April 14-16	Bunny Run	Jackson, Tennessee
April 22	Faith Baptist Car Show	
April 29	Hope Presbyterian Car Show	
May 5-7	Blue Suede Cruise	Tupelo, Mississippi
May 20	Court Square Car Show	Covington, Tennessee
August 11 & 12	Danchuk Tri-Five Nationals	Bowling Green, Kentucky

Register by January 31 to get \$10 off ticket price

Hope you can join us!!!!
